Example:

Batman is a hero. He is successful in catching the criminals in his city.
Batman is a hero, **and** he is successful in catching the criminals in his city.

OR...

Batman is a hero, **for** he is successful in catching the criminals in his city.

Directions: In the following exercises, turn the sentence pairs into single compound sentences, each with a coordinating conjunction. **You can rearrange or add words in the sentence to make it sound better, but only if it's necessary.**
